ROUSE EyeCARE CENTER

ASSIGNMENT / RELEASE OF INFORMATION / FINANCIAL GUARANTEE / AUTHORIZATION TO TREAT:

I give my permission to ROUSE EyeCARE CENTER to bill my insurance company whether the benefits are paid to me or to ROUSE EyeCARE CENTER. It is my understanding that I am eligible for medical and/or vision benefits through my insurance(s). However, in the event that my insurance company categorizes services rendered to me as "non-covered" or "not medically necessary". I agree to pay in full for all such charges. I understand that I am financially responsible for all charges whether or not paid by insurance. I fully understand that it is my responsibility to advise ROUSE EyeCARE CENTER if my insurance requires a prior referral, prior authorization, pre-treatment review, pre-treatment authorization, or a second opinion, or if it contains any special provisions (to include exclusionary rider) which must be satisfied before payment by the insurance company can be made. If I fail to advise ROUSE EyeCARE CENTER of such policy requirements and to comply in good faith, I agree to pay in full for all such charges. If I am a member of a managed care plan, I understand that it is my responsibility to make sure the correct referral is in place from my Primary Care Provider or Manager. (Co-pays will be made at time of service). I understand I will be financially responsible for any and all charges at the time of service should a referral not be supplied by my Primary Care Provider or Manager.

Our policy is to charge \$50.00 for no-show, missed appointments, and late cancelations-reschedules. If you are unable to keep your appointment, please notify ROUSE EyeCARE CENTER 24 hours prior to your appointment. These charges will be your responsibility and billed directly to you. Please help us to serve you better and other patients by keeping your regularly scheduled appointments.

I further authorize ROUSE EyeCARE CENTER to exercise its medical judgment in determining the level of service, and to perform any tests or procedures deemed necessary to provide the appropriate eye care.

“Routine” Vision Benefit. There has been discussion and confusion about the “Routine” benefits offered by insurance plans and how it applies to your visit. Your “routine” vision benefit provides for an eye exam to check your vision; as it applies to nearsighted, farsighted or regular astigmatism and if you require eyeglasses or a change in your current eyeglasses. “Routine” vision benefits are not intended as a medical exam to diagnose or treat eye disease or pathology. If you are diagnosed with any eye pathology, such as, but not limited to: cataracts, glaucoma, macular degeneration, dry eye, amblyopia, or a binocular vision disorder, these types of conditions are covered under your health insurance plan and the doctor will bill your exam accordingly. If we find a medical condition, the examining physician will be billing your health insurance carrier because the “routine” vision benefit does not cover the testing or procedures necessary to appropriately assess and outline a plan of treatment for any eye disease or condition. We can only file your “Routine” Vision Benefit, such as, a VSP or EyeMed claim if we are notified that you are an active VSP or EyeMed Member *prior* to your exam.
